## **Accounting Manager**

We are searching for our next accounting manager at MP&M. Could it be you?

Being employed at our company will bring you big perks, such as:

- \$400 monthly childcare reimbursement (in-home and state certified centers welcomed)
- On Demand Pay
- Generous Paid Time Off (PTO)
- Tuition Reimbursement
- 401(k) matching
- Much more!

You will already possess an associate's degree in accounting and a minimum of 5 years progressive experience within a manufacturing environment.

Every day brings something new, but some of your main functions will include:

- Processing bi-weekly payroll
- Processing banking transactions
- Providing budget and forecasting information to leadership
- Ensuring accurate and timely monthly, quarterly, and year end close
- A thorough understanding of the financial reporting and general ledger structure as well as processing journal entries and other financial reports

Salary: \$65,000 - \$75,000 Annually
