

Aon Benefit Forum '23 | June 21, 2023 | Aon Offices, Green Bay, WI

You and your team are invited! This complimentary in-person forum will provide an opportunity for HR stakeholders and Aon national thought leaders to gather and engage in key discussions impacting benefits today.

Sessions will include:

- **The Importance of Multigenerational Wellbeing in the Workforce:** This session will provide an overview of wellbeing from a people and performance approach and how the multigenerational workforce impacts how we deliver to employees. We will provide the latest wellbeing research as well as a practical strategic framework employers can use.
- **Pooled Employer Plans (PEP):** PEP is a relative new way to deliver defined contribution benefits that save significant time for your staff, provide better outcomes for your employees, and reduce your fiduciary risk.
- **Health Law Update:** The latest from congress, the courts, and the agencies.
