

## March/April 2022 Membership Update

Spring has almost sprung! We're hoping this means we'll see more of you in person or virtually at our events planned from March until year-end on 6/30. There are still 9 opportunities to join us as follows: 3 hybrid chapter meetings, 3 hour-long virtual professional development sessions, 1 Diversity & Inclusion (DIG) Group Networking Breakfast, 1 in-person Peer Group Meeting, and 1 member appreciation event. Registration is open for all 9 events; please [click here](#) to view them on the events page of our website.

Fewer prospective members have joined us for both virtual and in-person events since the beginning of the pandemic. We continue to encourage you to invite and bring guests (both prospective and non-prospective) to our chapter events. This fiscal year we've planned over 30 events, with at least one offering every month of the year (excluding July). The main takeaway: it's always a good time to join FEI! Plus, the first-year membership fee is \$299 since our chapter waives local dues (which are an additional \$200 beginning the second year of membership). Please continue to contact me with membership related questions and/or or referrals. Thank you for being a valuable member of this organization!
